TERMS AND CONDITIONS

They're not very sexy or fun to read, we know... but please do read them carefully. You never know, there could be something in there about naming your first born child 'IndiMex'!

Booking Confirmation

All tentative bookings will be held for 5 days, after which time the booking will be released and made available to others. To confirm a booking, a completed and signed event agreement is required within this period, along with credit card payment of your deposit.

Seating Requests

We will naturally do our best to seat your group in your preferred area, subject to availability and existing bookings.

Set Menus

For a set menu booking to run as smoothly as possible, it's necessary to apply a few guidelines so that you and your party enjoy your IndiMex experience and so that the kitchen and wait staff are not placed under undue pressure. Here's how we do that:

- a) All parties of 10 or more guests to order a set menu ('Cocktail Package', Share & Share Amigo' or 'Party Posse').
- b) A deposit is required for our planning and ordering purposes.
- c) The entire table must take the same set menu.
- d) Guests may order additional dishes from the a la carte menu to be added to their set menu package however these may or may not take longer to be served.

Children

Children aged 12 years or younger may order from the children's menu however they will not count as numbers in the minimum number of people required for a set menu booking.

BYO Alcohol

IndiMex is a licensed venue and as such, guests are not permitted to BYO alcohol or other beverages.

Cakeage

For special occasions, you are more than welcome to supply a cake however we reserve the right to charge \$1 per person for the provision of refrigeration space, cutlery, crockery, napkins and slicing knife.

Allergens

Foods of all kinds are prepared in the IndiMex kitchen. Whilst we can accommodate some dietary requirements, we cannot guarantee against allergic reactions.

Deposit

For groups of 10 or more guests, we require credit card payment of a \$20.00 per person holding deposit to confirm your booking.

Payment

The total bill must be settled in full at the end of the reservation. The deposit will be deducted from the final bill. If an individual does not attend, then the deposit for that person (or people) is retained as a no-show fee and cannot be used as credit towards settlement of the bill.

Split Bills

We regret that for group bookings, we are unable to accommodate split bills. One bill – fully itemised – will be provided to the person in charge of the booking to gather payment from guests as desired.

Payment Methods

IndiMex accepts credit card, cash and EFTPOS (no cheques or direct deposits permitted).

Responsible Service of Alcohol

Patrons may be asked to show legal proof of age at any time if ordering alcoholic beverages. The parent or legal guardian of any minor is responsible for ensuring that no alcohol is consumed by minors.

Cancellation Policy

If a booking is cancelled, the deposit will be issued as a gift voucher or can be used for an alternate booking date. Deposits are not refundable. IndiMex Café Bar Restaurant will retain the deposit as the 'cancellation fee' if less than 24 hours' notice is given.

Rights Reserved

IndiMex management reserves the right to grant or refuse entry, end the reservation at any time or extend the duration of the reservation, according to circumstances.

Your Responsibility

By paying the deposit, you personally agree to be responsible for this reservation, including any costs associated with the deposit, costs for food and beverages consumed during the reservation, in addition to any previously agreed beverage arrangements and/or to reach the minimum spend as stated if and as required. By paying the \$20.00 per person booking deposit, you understand, accept and agree to adhere to the policies, details and Terms & Conditions outlined in this document.
